JWC DIRECTIVE 16-15

JWC COS 18 /- 21257

DATE: 7 MAY 2018

SUBJECT: **REIMBURSEMENT OF MVA (VAT) FOR ENTITLED INDIVIDUALS**

REFERENCE: Supplementary Agreement between the Kingdom of Norway and HQ SACT and SHAPE, dated 6 AUG 08

1. **STATUS.** This Directive is a reviewed Joint Warfare Centre Directive and in coordination with Directive 05-01 dated 12 APRIL 18. JWC Directive 00-01 "Index to JWC Directives/Supplements" will be amended to reflect current date of this directive.
2. **PURPOSE.** The purpose of this directive is to set out the policies and procedures in respect of the reimbursement of Norwegian Value Added Tax (VAT) paid by entitled individuals upon purchase of eligible goods, items, and commodities on the local market or imported by parcel post / online ordering.
3. **APPLICABILITY.** This directive applies to all personnel at JWC.
4. **UPDATES.** Interim changes are not authorized.
5. **PROPONENT.** The proponent for this directive is DCOS SPT.
6. **SUPPLEMENTATION.** This directive may not be supplemented.
7. **ELIGIBILITY.**
 - 7.1. The policies and procedures set out in this directive are applicable to all entitled personnel as defined at para 1-1 (s) of Reference A. Specifically, "entitled personnel" means the persons attached to HQs and limited to the members of the force, the civilian component, personnel belonging to national support element to HQs and dependents, as well as other NATO and PfP military and civilian personnel on official duty to HQs".
 - 7.2. "Entitled personnel" do not include national Norwegians and individuals ordinarily resident in Norway.
 - 7.3. Personnel on official temporary duty or participating in JWC sponsored training events shall not be granted eligibility to this procedure.

8. PRIVILEGES.

- 8.1. **Purchases on local market.** Entitled personnel may only seek reimbursement of taxes paid on the purchase of non-consumable goods for personal use that are not reasonably to be considered as fixed property items. No tax relief or reimbursement is available on services, such as telecommunications, utilities, travel agents, service or labour charges or event tickets.
- 8.2. **Import by parcel post.** Reference allows for entitled personnel to receive items through parcel post free of duties and taxes provided that they are for personal use and the value of the contents do not exceed NOK 1,500.00. Entitled personnel may also receive gifts through parcel post free of duties and taxes provided that they are for personal use.

9. PURCHASE AUTHORIZATION AND CLAIM (PAC) FORM.

- 9.1. The PAC form, a sample of which is attached at Annex A, is used by entitled individuals to summarize eligible purchases and to calculate and request reimbursement of total VAT paid on purchases in Norway. The form is completed in arrears and need not be in the possession of the entitled individual at the time of purchase. Forms may be submitted at any time; it is not necessary to have all lines completed prior to submission.
- 9.2. In accordance with the Reference, all claims must be submitted without undue delay. Therefore, all receipts must be submitted within 6 months of their issue date. Only original receipts shall be attached to the PAC form. Copies shall not be used or form the basis for reimbursement.
- 9.3. PAC forms are to be submitted to JWC Community Services Section for review and processing. Subject to agreement between DCOS SPT and FINCON/ IRO, PAC forms may be processed at NSE's. This, however, should be minimized so as to ensure consistent application of policy across the HQ.
- 9.4. An administration fee may be levied by JWC Community Services Section (CSS) or NSE's in respect to any administrative costs associated with processing or bank transfers.

10. CONTROL MECHANISMS. The reference directs JWC to implement sufficient administrative measures to stringently control privileges. To this end, the following procedures shall be observed:

- 10.1. Upon in-processing, all entitled individuals shall sign a statement acknowledging that all goods purchased free of duty and taxes are solely for personal use and/or for that of his/her dependants and will not be disposed of in Norway by sale, barter or gift to non-entitled personnel.
- 10.2. PAC forms shall only be accepted from individuals whose particulars are shown on monthly Duty Free Entitled Personnel Lists produced by Human Resources Management Branch.
- 10.3. Once submitted to the respective NSE or CSS, each PAC will be serial numbered and registered in a control log. Control logs, as well as each PAC and its accompanying original receipts, shall be retained for a period of seven

NATO UNCLASSIFIED

years. They shall be made available, as required, for regular reviews by the JWC IRO or by inspection by DCOS SPT, FINCON or Host Nation authorities.

11. SUBMISSION AND PROCESSING OF PAC FORMS.

- 11.1. Entitled individuals purchase their desired item(s) at full cost (including taxes) and obtain a documented receipt. Receipts shall clearly show the items purchased, date of purchase, shop or vendor name and VAT registration number, purchase price of individual articles, and VAT amount charged.
- 11.2. They then shall complete a PAC Form, attach original receipts, and submit it to their NSE or CSS, as applicable. All receipts are to be numbered corresponding to the line number of the PAC form. Receipts should be presented well-ordered and arranged. Specifically, they should be taped flat to A-4 sheets and these sheets attached to the back of the PAC Form. Full explanation or description in English must be included on the receipts should what is printed from the retailer is not clear or complete. A sample of a completed PAC is at Annex A.
- 11.3. NSE's/CSS shall assign a sequential serial number to each form. They then shall review each to ensure individual entitlement, eligibility of submitted items for VAT refund, and mathematical accuracy. Should there be mathematical inaccuracies or non-eligible items on the PAC form, CSS shall make amendments by hand. Upon finalization of their review, each form shall be signed by the Chief CSS or their delegated representative.
- 11.4. At the end of each month, NSE's/CSS shall then complete two lists of all PAC forms processed; one list shall be in serial number order and the other shall be in alphabetical order of entitled individual. The list in order of serial number shall then be forwarded under cover letter to BUDFIN who shall submit to MOD NOR requesting reimbursement from the Host Nation.
- 11.5. Copies of all completed forms shall be forwarded to individuals through the JWC internal mail system for their retention and records. Copies of receipts for non-eligible items with a description of why they were not included on the final submission to BUDFIN shall also be passed to individuals.
- 11.6. Once approved by the Host Nation, reimbursement funds shall be received by BUDFIN in their local NATO bank account. BUDFIN shall then transfer these funds to CSS local bank accounts. NSE's/CSS shall then verify the amount(s) received and make individual bank transfers to claimants' local Norwegian bank accounts. In the case of CSS, a NOK 10.00 per transfer fee shall be levied and withheld at source.
- 11.7. Entitled individuals who depart prior to receipt of reimbursement. Should an entitled individual depart prior to receipt of reimbursement of any submissions, there are three methods for which the funds, when received, may be passed to them:
 - 11.7.1. To their Norwegian bank account: This is the preferred option and accounts may be closed after all expected transactions are finalized;
 - 11.7.2. To their home nation bank accounts: All international bank transfer details are required for this option and all transfer fees will be deducted from the reimbursement amount.

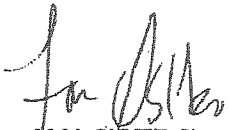

NATO UNCLASSIFIED

11.7.3. To a third party: A written request is required for this option with the name and banking information of the third party, such as a colleague. It is then the third party's responsibility to pass the funds to the departed individual.

11.8: There is no set timeline from the point of submission of a PAC form to receipt of reimbursement. While past averages are in the two to three month range, this may vary.

12. WITHDRAWAL OF PRIVILEGES. Upon recommendation of DCOS SPT or a Senior National Representative (SNR), the Chief of Staff may withdraw an individual's tax and duty-free privileges with due cause. Although each situation may be different and merit specific investigation, examples of such instances may be disposal of tax free goods to non-entitled individuals or fraudulent submission of VAT refund claims. Privileges may be revoked only in writing to the individual concerned with copies passed to Head, Community Services Section and Head, Human Resources Management Branch.
